

Red Herring Puppets presents

# Aesop's Fables

*"The show was great! It was age appropriate for all of our students and they were really engaged during the whole performance. Our teachers also enjoyed the show and many commented how it was the best assembly we have had in a long time."*

*– Jennifer Moreno, Teacher, Selma, CA*

*"The performance was completely age appropriate for our students, colorful, and fun. The performers were kind and gracious and handled our location change and squirmy kids beautifully."*

*– Anna Mette-Hansell, Teacher, Bryn Mawr, PA*

Red Herring Puppets was awarded an UNIMA citation of excellence (the highest honor in American puppetry) for the production of Aesop's Fables. It is an original, rhymed version of the classic tales, told with original music by Cathy Riley and large table top puppets. These timeless stories are simple to understand. They address topics relevant to school age children such as bullying, selfishness, competition, ingenuity, and the affirmation that little beings can achieve great things.

The show is designed for pre-K through the 6th grade and includes The Lion and the Mouse, The Tortoise and the Hare, The Owl and the Grasshopper, The Fox and the Crow, The Crow and the Pitcher and The Stork and the Fox.

*"We weren't sure what it was going to be like when we saw all of the puppets and the puppeteers, but as soon as the show started we forgot the puppeteers were even there and we were transported into the story. What a great way to introduce the concepts of fable and story in our BASAL book. Well Done!"*
